

FORT DALE ACADEMY DEER HUNT

P.O. Box 384

GREENVILLE, ALABAMA 36037

November 16, 2022

Dear Community Leader:

Preparations are underway for the 25th annual Fort Dale Academy Deer Hunt on January 12-14, 2023. Hunters from all over the Southeast will take part in a 2-day hunt full of food, fun and fellowship while raising money for the students of Fort Dale Academy. These hunters and their families are also out shopping in our stores, dining in our local restaurants, and staying in our hotels benefiting our whole community as well.

Last fall, the Deer Hunt began partnering with our local community college's dual enrollment program to help with the costs for our students. For the 2020-2021 school year, we awarded 106 dual enrollment scholarships totaling over \$43,516 to help offset the cost of classes taken for each eligible student and for the 2021-2022 school year, we awarded 134 dual enrollment scholarships totaling over \$47,000. With the help from the FDA Deer Hunt and the LBWCC Foundation, these students are able to take college classes at no cost to their family. This is a huge savings for our students, as we all know how expensive four-year universities have become.

Our goal, along with Fort Dale Academy, is to have 100% participation from all eligible students in the coming years. To make this possible, we need your help in making the 25th annual Fort Dale Academy Deer Hunt the biggest success yet.

As a sponsor, you will receive recognition in our print and online promotions. While any amount of donation would be greatly appreciated, below are the details concerning this year's sponsorship levels.
